

**Butterfly  
Candlebox**

tune down 1/2 step

this is my version of BUTTERFLY i think these are all the parts played in the song but if you find a part that i missed let me know and i ll figure it out.I figured it out on a guitar wich was tuned down 1/2 step... so you ll have to tune it down or play everything one fret down)

but i play it a little different..... i don t know if it is the correct way to play it but it sounds pretty close..... if anyone has any corrections let me know:

www: <http://huizen.dds.nl/~cndlebox>

Intro: (4) means heavy mute (listen to the cd)

```

e|-----|
B|-----|
G|------(6)------(6)------(4)------(4)----|
D|-----(4)-----(4)-----(4)-----(4)-----(3)-----(3)-----(3)-----(3)-|
A|-(5)------(5)------(4)------(4)-----|
E|-----|

```

```

e|-----|
B|-----|
G|------(6)------(6)-----0-----|
D|-----(4)-----(4)-----(4)-----(4)-----2---2---2---|
A|-(5)------(5)-----2-----2-----|
E|-----0-----|

```

OKAY i realise that this isn t the way to play the intro..... and it also isn t complete.... so if you know better please tab it out and mail it here... coz this is wrong.... and i can t seem to get it right.....

Now for the next part.... I am pretty sure the strumming patterns are no correct! You know how the song goes so just play it so it feels right!

```

e|-----|->
B|-----|->
G|---5--5--5-5-5-5/9---9---9--9-/10--10-10--9--|->
D|---6--6--6-6-6-6/10--10--10-10/11--11-11--10-|->
A|---6--6--6-6-6-6/10--10--10-10/11--11-11--10-|->
E|--4--4--4-4-4-4/8---8---8--8-/9---9--9---8--|->

```

```

e|-----|->
B|-----|->
G|-5--5--5-5-5-5/9---9---9--9-7--7-7-79---9--9--|->
D|-6--6--6-6-6-6/10--10--10-108--8-8-810--10-10-|->
A|-6--6--6-6-6-6/10--10--10-108--8-8-810--10-10-|->

```

E|-4--4--4-4-4-4/8---8---8--8-6--6-6-68---8--8--|->

```
e|-----|
B|-----|
G|-5--5--5-5-5-5/9---9---9--10-9--9--|
D|-6--6--6-6-6-6/10--10---10-11-10-10-|
A|-6--6--6-6-6-6/10--10---10-11-10-10-|
E|-4--4--4-4-4-4/8---8---8--9--8--8--|
```

Then it goes back to the intro muted part

When playing the intro part he slides up the e fret like this:

E:-/19b-| b=full bend.. (i m not sure if it s 19 or something else)

Then it s the same again with the next part at the end instead of the part above :

```
e|-----|----|----|----|-----|
B|-----|----|----|----|-----|
G|-5--5--5-5-5-5/9---9---9--9--9--9--9-|-10-|-9--|-10-|-9--9--9--9--9---|
D|-6--6--6-6-6-6/10--10---10-10-10-10-10-|-11-|-10-|-11-|-10-10-10-10-10---|
A|-6--6--6-6-6-6/10--10---10-10-10-10-10-|-11-|-10-|-11-|-10-10-10-10-10---|
E|-4--4--4-4-4-4/8---8---8--8--8--8--8-|-9--|-8--|-9--|-8--8--8--8--8---|
                                     ^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^^
```

That s it as far as the different parts go.... what you see above is very wrong!!!! he changes between the 8th and the 9th fret far more than it sais and the rythm is wrong !! the chords are correct though but it was not possible to tab this part out correct... it all would have been the same anyway so i advise you to listen to the song very closely before you try to play this part (this part starts at 2.34 (with the intro played throug it))
