

Turn Your Heart Around
Candlebox

Tabbed by: Greg Burt

Standard Tuning: EADGBE

Chords

D: x x 0 2 3 2

G: 3 x 0 0 3 3

Bm: x 2 4 4 3 x

A: x 0 2 2 2 x

D G

Bm **G**

G **Bm**

Lately I ve seen a change in you

G **Bm**

Something s wrong I think you ve seen it too

G
I ve always known, that both sides are strong

Bm
We need to give in but it s taking us so long

G **Bm** **A**

I won't pretend you're taking the hardest way up

Bm **G** **D** **A**
I ve been left in ruins cause something set you off again

Bm
G

Whatever I ve done was never meant to become destructive

D A

To everything we both put in

G **Bm**

G **Bm**

Lately I ve seen a change in you

G **Bm**

Something s wrong I know you ve seen it too

G
I've always known, that both sides are wrong

Bm

We need to believe in but it s taking us so long

G **Bm** **A**

I won't pretend you're taking the hardest way up

Bm **G** **D** **A**

I ve been left in ruins cause something set you off again

Bm
G

Whatever I ve done was never meant to become destructive

D **A**
To everything we both put in

G Bm

It s always too much or never enough

A

I can t always be the only one

G

Bm

To sever all ties or relive the old lies

A

Darling we both know I ve been

G

Trying to turn your heart around

D

G

D

A

I ve been trying to turn your heart around

G

D

G

I ve been trying to turn your heart around
