Intro: **E A B A**

Verse 1:
E   **A**
Take me back to when I met you
        B   **A**
in the parking lot outside the show
E   **A**
Sitting in your beat up van
          B
all our friends knew
            A
what was gonna happen

Refrain 1:
C#m
Now I try not
      E
to think about
B
   the way our
            A
breath aligned
              A
when you put your
        B(hold)

body next to mine

Chorus 1:
```
E         B/C#
You you are a
A
song in my head
    E          B/C#
My voice is sore
        A
from singing it
        C#m           E
as we cross off miles
      B      A
and interstates
      C#m
The same white lines
                    A
that brought you here
      A                D--G--A--G--
will take you away
                  D--G--A--G--
wil ltake you away
```

Verse 2:
```
E
   And now Iâ€™m standing
          A
in the back room
              B          A
and youâ€™re avoiding me
E                         A
   Iâ€™m not sure what it was I did
          B                   A
I didnâ€™t do it intentionally
```

Refrain 2:
```
          C#m
And some day youâ€™ll
      E
be a polaroid
        B                A
of someone I used to know
        A
Iâ€™ll be a stranger on
      B(hold)
the end of the phone
```

Chorus 2:

```
E          B/C#
You you are a
A
song in my head
    E          B/C#
My voice is sore
       A
from singing it
      C#m          E
as we cross off miles
     B      A
and interstates
     C#m
The same white lines
                 A
that brought you here
     B
will take
E          B/C#
You you are a
A
song in my head
   E           B/C#
My voice is sore
      A
from singing it
      C#m          E
as we cross off miles
     B      A
and interstates
     C#m
The same white lines
                 A
that brought you here
     B
will take you

Bridge:
C#m            E
  I canâ€™t forget the way
   B                A
we spent the day in bed
C#m              E
  You pulled the sheets
        A
over our faces
C#m            E
  so I could hear
     B      A
your whispering
        F#
and you looked at me
```

```
              A
with those eyes
            B
that told me that you
       A(hold)
could see inside me

Chorus 3:
E          B/C#
You you are a
A
song in my head
     E          B
My voice is sore
        A
from singing it
        C#m            E
as we cross off miles
      B     A
and interstates
      C#m
The same white lines
                     A
that brought you here
        B
will take
E          B/C#
You you are a
A
song in my head
     E          B/C#
My voice is sore
         A
from singing it
        C#m            E
as we cross off miles
      B      A
and interstates
      C#m
The same white lines
                     A
that brought you here
        B          E  A
will take you away
      C#m
The same white lines
                     A
that brought you here
        B          E  A
will take you away
      C#m
The same white lines
```

```
                    A
that brought you here
     E/F#      B  E(hold)
will take you away
```
