C# -   x24442
Ebm -   x46654
F# -   022100
G# -   244322
G#/Bb - x143xx

Intro: **C#**-**Ebm**-**F#**-- x2

Verse 1:
C#
   Sometimes my bones feel
     F#   **C#**
too clumsy for my skin
the skin that canâ€™t
    F#   **Ebm**
forgive the scar on my hip
                   F#
the one that you trace
with your hands
C#
   Sometimes my brain
        F#   **C#**
canâ€™t make up itâ€™s mind
B broken switch **B**
F#   **Ebm**
down power line
a radio cutting
F#
in and out
Ebm
   my swingset mood
          F#
swinging up and down

Refrain 1:
```
            Ebm
Itâ€™s just another
             F#
thing that I canâ€™t fix
          G#
like the broken clasp
       F#
on my favorite necklace
      Ebm
the loneliness that
C#                F#
anchors me to bed
```

Chorus 1:
```
      C#    Ebm    F#
but you could cut
it out of me
              C#
replace the parts Iâ€™ve
         Ebm
rusted out that I donâ€™t
F#      C# Ebm              F#
need E-rase all the stupid
things I say the things
       C#
that donâ€™t work out
      Ebm     F#
the way we planned
```

Verse 2:
```
C#
   And I know I make
F#                C#
myself miserable
sleep to much to
F#             Ebm
see how it feels
               F#   Ebm
when I wake up    and
                 F#
everythingâ€™s heavier
C#
   But you know that
      F#         C#
you do the same
            F#
stay up in bed until
            Ebm
all of the things
you donâ€™t want to
```

```
F#             Ebm
think are tangled up
   F#
inside your sheets

Refrain 2:
            Ebm
Itâ€™s just another
             F#
thing that I donâ€™t need
      G#
like loneliness or
     F#
the wisdom teeth
          Ebm
that are constantly
C#                  F#
pressing on my head

Chorus 2:
      C#    Ebm    F#
well you could cut
it out of me
              C#
replace the parts Iâ€™ve
        Ebm
rusted out that I donâ€™t
F#     C# Ebm              F#
need E-rase all the stupid
things I say the things
      C#
that donâ€™t work out
     Ebm    F#
the way we planned

Bridge:
Ebm                      F#
   And you know how I work
    C#              G#/Bb
Iâ€™m clumsy with everything
    Ebm              F#
Oh I break my own heart
       C#
but I promise if
     G#/Bb
you lend my yours
   F#            C#
I wont let it fall
   F#               Ebm-- Ebm Drumbeats
I wont let it fall
```

```
Chorus 3:
      C#    Ebm    F#
well you could cut
it out of me
            C#
replace the parts Iâ€™ve
        Ebm
rusted out that I donâ€™t
F#     C# Ebm             F#
need E-rase all the stupid
things I say the things
       C#
that donâ€™t work out
     Ebm     F#
the way we planned
            C#          Ebm F#
The way we planned
          C#         Ebm F# C#(Hold)
The way we planned
```
