

Let's Make Love And Listen To Death From Above
Cansei de Ser Sexy

Am

Calling me high in the telephone, Came by plane all alone

E

Spend the afternoon making speech,
speech make you nervous that you couldn't eat

Am

You come to show your mad love, you came to tell is not enough

E

Come and erase me and take me with you , kiss me i`m drunk don`t worry it`s true

Am

I`wanna to show you how mad is my love

Come and attack me it`s not gonna hurt,

E

Fight me deny me if i fear when you close
Let`s make love and listen to death from above

Am

Let`s make love and listen death from above

E

Let`s make love and listen to death from above

D A Em E 1x(suave)

Assobio, assobio, assobio...

Am

You knew my ideas when they were in my head They were my secret evening plans

E

Wine, then bed, then more then again Wine and bed, then more then again

Am

Run, run, run to make your heart shake, kiss, kiss, kiss will make this earth
quake

E

I`m gonna get what i`m willin to take this gotta worth the miles you made

Am

Come back i`il warm you up Make me breakfast i`il make it up

E

You`re so talented i`m in love Let`s make love and listen death from above

Am

Let`s make love and listen death from above

E

Let`s make love and listen death from above

Am

I`m back with a smack and i`m read to attack stare at my lips and see there wet

E

I know how you doing by loocking at your pants And this is how we call
it a comeback...

Am

E

And listen death from above...

Batida:(faz toda ela 4xz ou quantas forem necessárias)

E	Em	A	E
5xs(ou mais)	1x	1x	1x(suave)

Am
Screaming your name on the microphone Going back home all alone,

E
Listening to the tunes that you sent to me, Listen to them good company

Am
I want to show my mad love You have to know it`s not enough

E
C`mon and complete me stay here with me , this is all true it`s water i drink,

Am
I wanna you to show me how mad is your love , c`mon attack me it`s not gonna hurt

E
Find me, denie me, if i fear when you close
Let`s make love and listen death from above

Am
Let`s make love and listen death from above

E
Let`s make love

Am
Let`s make love and listen death from above 4xs...

D	A	Em
Assobio	assobio	assobio...

Faz a batida mais algumas vzs e para parar
repete a nota E várias vzs no final da última batida pra finalizar.
