

Hospital Canterbury

Hey because I can't stop playing their songs. they're awesome !!
INTRO :

A-F#m-A-F#m

VERSE 1/

A
I can't breathe a whisper,
 F#m
Which is why this room's so loud,
 A
And I can't make my bed,
 F#m
But I'm made to lie in it alone,
A
And maybe, you'll come here to visit,
 F#m
And you can sit and watch me sleep,
 A
And we can talk of what you will,
 F#m
But I'll miss the point cause all I have are dreams,

CHORUS

A **F#m** **D**
I-I-I've been asleep with the lights on, For days on end now,
 A **F#m** **D**
And I-I-I should've listened to someone, who could see this happening
A **E** **D** **E**
Won't you mend my broken head?
 A **F#m** **D** **E**
If I wake up, will your face fill this room?

VERSE 2 (same as verse 1)

I can't make it out yet,
But your voice sounds sweeter than it ever did,
Did I just hear you leaving?
Or have I been alone a while?
Maybe you'll come here to visit,
And your luck just might be in,
But it would be false hope, if any,
And I wouldn't want to waste your time.

Bridge : **A** - **F#m** (x8)

Ba-Ba-Ooooooh (various times)

CHORUS

OUTRO :

A

F#m

And I ve been, plugged into machines at the side of the bed,

D

Woke up from a dream could ve sworn I was dead,

E

And how long has it been because I miss you to death?

A

A miracle or so they say (x6)
