Intro : **Em**

Em **Am**
so sit back and relax and just watch the show
C D Em
just let it go , just let it go
Em **Am**
though we wait for the verdict in time we will know
C D Em
just where we ll go, just where we ll go

Em **Am**
you said you loved me so why don t you care
(**Am**) **D**
seems like you solved this so why aren t you here
(**D**) **G**
i m so unnoticed out in the cold
(**G**) **Em**
i still like romance so leave me alone

Em **Am**
in this town all the children have gone out to war
Am C D Em
but what is it for , but what is it for
Em **Am**
all the lies they ve been told bring them close to the edge
C D Em
they fight in despair, they fight in despair

Em **Am**
you said you loved me so why don t you care
D
seems like you solved this so why aren t you here
G
i m so unnoticed out in the cold

Em

i still like romance so leave me alone
