

Spirit Holy Spirit
Capital City Music

[Intro]

D#m C# F#

[Verse 1]

 D#m C# F#
Youâ€™ve put air inside my lungs, and a voice upon my lips
 D#m C# F#
Put a fire within my soul, and You burned me with Your kiss
 D#m C# F#
But right now I need to know, I need to feel You cover me
 D#m C# F# C#
For when darkness starts to grow, Youâ€™re my only hope for peace

[Chorus]

F# C#
Spirit, Holy Spirit
 D#m F#/A# C#
How I love You, how I love You
 F# C#
Breath of Heaven, lead me to water
 D#m F#/A# C#
For I need You, oh I need You

[Verse 2]

 D#m C# F#
You are older than the sun, and Youâ€™ve walked the ancient seas
 D#m C# F#
Stars they shiver when You speak, mountains tremble as You breathe
 D#m C# F#
For You know my every thought, You are closer than my breath
 D#m C# F# C#
As You whisper to my soul, You restore my brokenness

[Bridge]

D#m C#
Spirit come, awake our souls
F#
Draw us into heavenâ€™s glory

[Outro]

D#m C# F#
