

You wanted years you could later recall
you shake and tremble with the aftershock

G **D**
one day at a time

Pre Chorus (stop palm muting):

D **G** **D** **A**
what's left of a prize possession, we'll cash out in another dimension
D **G** **D** **A** (NC)
only banking on the world still spinning high in the palm of my hand

Chorus:

D **G** **D** **A**
I'll fly, get about in my getaway van
D **G** **D** **A**
we're fine, hear me out I'm a miracle man
D **G** **D** **A**
and I won't say anything, I'll keep a secret till I die
D **G** **D**
we'll fly,
A **D**
I'll re-live it one day at a time

Verse 2 (palm mute):

D
A stranger guided me into the night
D
a revelation turned black to white
G **D**
one day at a time
D
you were falling for the words he wrote
D
but I was busy looking out below
G **D**
one day at a time

Pre Chorus (once again, no palm muting):

D **G** **D**
An opportunity, a valuable lesson for what I'm worth at a dime a dozen
D **G** **A**
the wedding bells more appealing on the 2nd chime play an opening song
(No Chords)
and I'll keep it up...

Chorus:

D **G** **D** **A**
I'll fly, get about in my getaway van
D **G** **D** **A**
we're fine, hear me out I'm a miracle man
D **G** **D** **A**
and I won't say anything, I'll keep a secret till I die
D **G** **D**

we ll fly,

A

D

I ll re-live it one day at a time
