Let s sit down and talk just you and me about inconsequential things

A E A  
About how life gets in the way of every little thing

B A B A  
I think I need a coffee I think I need a couch

B A E  
Cause I m too drunk to care and everything seems pretty good to me

E A E A E  
Let s sit down and talk just you and me about love and hate and

A E A  
How little all that bullshit really means anyway

B A B A  
I think I need a cigarette I think I need a couch

B A E  
Cause I m too drunk to talk and I won t remember anyway

Let s sit down and talk just you and me

A E  
Why can t we talk just you and me

A E  
We never talk just you and me

A B A  
Why can t we talk just you and me
