[VERSE]

```
      C                      C      Am
I was thinking of ways I could get you
      Am                      Am G
Now I m thinking of ways to forget you
      G                      G F          Fm
I was finished the minute I let you in my bed
```

```
      C      C      Am
I stayed up late bitching
      Am      Am
About being awake
      G      G          G
Until you said
```
