

**The Ending Of Dramamine  
Car Seat Headrest**

Tab from the KEXP session. It s pretty hard to illustrate this song so each line down = the bass riff.  
You ll get the hang of it once you start playing. Pretty sure this tab is accurate but always up for suggestions to make it better!

[Verse]

**Em**  
 The drunkâ€™s face breaks into sweat  
**F#m**  
 as his friend falls under the wheels  
**G**  
 but the headlights don t flinch  
 and the engine doesn t stutter  
**A**  
 oh yeah  
**B**  
 think about myself, I think about myself, care about myself, I care about myself  
**Am**  
 I only care about myself  
**E**  
 and other fears too stupid to mention  
**Am C**  
 the ending of â€˜Dramamineâ€™ scared Degnan  
**Em**  
 the way that you all see me  
**F#m**

that s who I am, but not who I need to be

**G**  
moving my joke body through the cold November night

**A**  
haha

**B**  
hate yourself, do you hate yourself, I don t hate myself  
**Am**

I tolerate myself

I wish I was someone else

**E**  
but it seems too stupid to mention

**Am C**  
I know I ll be ripped in heaven

[Chorus]

**Em F#m**  
I was young, I was thin

**G Am**  
I had money and I loved you

but then came the

**A Am**  
shabba de bop bop be shibby day oh yeah

**E**  
shabba de bop bop be shibby day oh yeah

**Em F#m**  
I need a name for what Iâ€™m feeling

**G Am**  
then I can start to work on a meaning

speaking of the

**A Am**  
shabba de bop bop be shibby day oh yeah

**E**  
shabba de bop bop be shibby day oh yeah

[Verse]

**Em**  
in a crowded room you will

**F#m**  
hear your own opinion voiced

**G**  
you can sit back without a word

watch it spread or fall silent

**A**  
oh yeah

**B**  
If it s too late to speak I could get out of bed

find a pencil and write leave it for you to find

**Am**  
 if the moment is gone  
**E**  
 to say I figured out what the problem was  
**Am C**  
 I d been thinking about it earlier  
**Em**  
 hey! can you hear me now?  
**F#m**  
 Am I alone in my futile efforts?  
**G A**  
 sometimes I get so mad that I canâ€™t do the few things I usually can  
 which is sad  
**B**  
 no occupying space, I know I take up space  
**Am**  
 will there be a space for my soul in space  
 (that s heaven to me)  
**E**  
 98083  
**Am C**  
 Post office box 295  
 [Chorus]  
**Em F#m**  
 I was young, I was thin  
**G Am**  
 I have money and I love you  
 but here comes the  
**A Am**  
 shabba de bop bop be shibby day oh yeah  
**E**  
 shabba de bop bop be shibby day oh yeah  
**Em F#m**  
 I need a name for what Iâ€™m feeling  
**G Am**  
 then I can start to work on a meaning  
 speaking of the  
**A Am**  
 shabba de bop bop be shibby day oh yeah  
**E**  
 shabba de bop bop be shibby day oh yeah  
 [Bridge]  
**G C**  
 And in the sky there is a place  
 where it s warm and you re there  
**Dm**

and I ve got the power now

**G**

Yeah I know what to do

**C**

to make you feel something besides pain

**D**

Cause it s the love

**Dmaj7 D**

**Dmaj7**

That we ve come to expect, to deserve

**Em**

And then we touch and it s nice

It s not a complicated mess

**D**

**Dmaj7**

And my back doesn t hurt

**D**

**Dmaj7**

**Em**

And your head doesn t tell you to kill yourself

**A**

So we smile and embrace

**D**

Until we don t know who we are

[Outro]

**Em**

I can t hear a thing now

**F#m**

I guess I belong to me now

**G**

but when night fell on Montana

I found a rest stop completely deserted

**A**

but I still felt the eyes upon me

so I drove away

[Outro]

(then the bass + drums kick back in and will fiddles at the strings near the head so thats what the x s mean)

e | -x-x | -x-x | - | -x-x | -x | -x-x | -x | -x-x | -x | -x-x | -x |

B | -x-x | -x-x | - | -x-x | -x | -x-x | -x | -x-x | -x | -x-x | -x |

G | -x-x | -x-x | - | -x-x | -x | -x-x | -x | -x-x | -x | -x-x | -x |

E | -x-x | -x-x | - | -x-x | -x | -x-x | -x | -x-x | -x | -x-x | -x |

(from then on the song continues with Will staying in E & G fiddling while always hitting the low open E.

Until the song comes to a close. Also very hard to tab because the mix gets muddy but as long as you stay in

E you ll be fine.)
