War Is Coming If You Want It Car Seat Headrest [Verse 1] Bm C#m Last night I dreamed that you d murdered some kids D Е Gone up towards the border where the freaks live Bm C#m I couldn t tolerate it, yet somehow I did D Е If it had been on TV, I would ve changed the channel Bm C#m And afterwards I lay awake for quite some time D Е And thought about opinions I d kept Bm C#m At five in the morning, I couldn t tolerate it D E How many had died while I slept? [Chorus] Α F#m Now is the time to cast Darwin aside F#m Α Stop spinning lines that justify the lure of suicide Bm And reach out your hands D And save someone s life Α Because war is coming D If you want it Α War is coming р If you want it [Verse 2] C#m Bm She s keeping quiet in a season of crime D Е Walking away as if nothing had changed Bm From that awful display C#m People are strange D If they keep on laughing

```
Nothing will change
[Chorus]
                            F#m
Α
Now is the time to cast the screenplay aside
                       F#m
Α
And try to create some space between the lines
Bm
To lift up your voice
D
And change someone s mind
        Α
Because war is coming
D
If you want it
Α
War is coming
(She s keeping quiet)
D
If you want it
(If you can t tolerate it)
Α
War is coming
D
If you want it
Α
War is coming
D
If you want it
Α
War is coming
D
If you want it
```
