

I Cant Behave
Caravan of Thieves

Song by Caravan of Thieves, I do not own any of it.

No Capo

Dm **A7**
I am merely flesh and bone

Dm **A9**
Driven by a mind of stone

Dm **A7** **A9** **Dm**
The very thing that governs me, will lead me to my doom

Dm **A7**
You re another taboo fruit

Dm **A9**
To resist my ill repute

Dm **A7** **A7**
Since apples in season I m gonna get a taste of you

Dm **A7** **Dm**
I can t behave when I m with you

A7 **A9** **Dm**
Here comes the devil I can t be held responsible

A7 **A9** **Dm**
I can t behave when you are near

Dm **A7** **A9** **Dm**
There s something so adulterating, satiating, do right hating, baby

A7 **A9**
When you are here

Dm **A7**
You can say that I m not well

Dm **A9**
Or I m spending time in hell

Dm **A7** **A9** **Dm**
It doesn t faze me cause I m crazy bout you

Dm **A7**
Go ahead and reprimand

Dm **A9**
Go ahead and slap my hand

Dm **A7** **A9**
It s like trying to tell a mosquito not to eat you

Dm **A7** **Dm**
I can t behave when I m with you

A7 **A9** **Dm**
Here comes the devil I can t be held responsible

Dm **A7** **A9**

I can't behave when you are near
