## Love Song With Flute Caravan

This song is in a quarter-tone tuning, meaning that it is half-way in between a standard tuning and a one-flat tuning. If you don t play with the record, then just play in standard tuning.

If you don t play with the record, then just play in standard tuning. Intro: F#maj7 Verse: Bmaj7 When I ve got time on my side, there s nothing I can do To escape from the scenes that have been making me want you Bmaj7 So I think of the dreams that I have and what s left I d like to do A#m7 But my mind draws a blind over me and all I see is you A#m7 Look into my eyes, tell me what you see, listen to me now Eb I m needing you, though it may not seem to be I m needing you, you re all I care to see Eb I m needing you Gb Ab Eb And you, you, you.... Chorus: Eb Ab Bmaj7 Eb Ab Bmaj7 Eb Ab Bmaj7 A#m7 Verse 2 (same chords):

I can feel the sun in my hair when I m sitting here with you Who cares if I m lost in my mind? My dreams are overdue I ve been living more for myself than I ve ever done before

And my feeling s so real over you, I keep coming back for more When I look at me, all that I feel and all I see is you

So look into my eyes

I m needing you, though it may not seem to be

I m needing you, you re all I care to see

I m needing you

And you, you, you....

Chorus (same chords)

Verse 3 (same chords, epic flute)
Chorus (same chords, repeated a bit longer)

End on: A#m7
