

Desparation Song

Carbon Leaf

This is one of the coolest songs ever,
it took me a while to figure it out, but here it is

```
e-----|-----
b-----|-----
g---4---2---|-----
d---4---2h4-----|-4-2-2-----2---
a-2-----5---|-----5-2-----
E-----|-----5-----
```

Play this 3 times Play this ever 4th time

After it speeds up it s just chords

D **Bm**

Rig around the lake

the right on time part goes like this

Bm **D** **A**
Right on time, would you stay, through the pouring rain

Bm **D** **A**
Right on time, through the night, your laughter is my light

Chords

```
Bm D A
e-2---0---0-
b-3---3---2-
g-4---2---2-
d-4---0---2-
a-2---0---0-
E-2---0---0-
```

The song is in Bm, so if you want to add
extra parts to the flute or anything, that s
what key it was in.
