

Grey Sky Eyes
Carbon Leaf

This song is insanely easy. I m surprised no one has put it up here before.
If I m wrong, instead of shooting me, please make corrections.

Verse:

G

Grey sky

C D

always in your eyes,

C D G

Where is the girl behind the cloud?

(x2)

Chorus:

C D

You welcome me in,

Em C

and your veil is so thin,

G D C

but the mystery continues to grow

(x2)
