

Miss Hollywood  
Carbon Leaf

G D  
Shootin Stars. Gilded Age  
C G  
Yeah just spill your dreams to me  
Em D  
And we just hide away  
G D  
You can stay if you believe  
C  
Just a leap of faith  
G Em D C  
Across a busy Boulevard of Broken Dreams

G D  
And I dream about her even though I never should...  
C G D  
Miss Hollywood, miss Hollywood, miss hollywood  
C G D  
Yeah I would ride into the sunset if I could  
C G D  
Ms. Hollywood, Ms. Hollywood, Ms. Hollywood  
G ( maybe Em?)  
So slow to fade...

G D  
Check all the Hip across the street  
C G Em D  
Taking turns unlocking doors to fame by proximity  
G D  
Golden dreams flow like water  
C G Em  
and the water always wins, for good or bad  
D C  
Once you let it in

[Chorus]

G D  
Don t you cry on Oscar night  
C G  
Lifted off from Mother Earth  
Em D  
To find her elusive smile  
G D  
You can t buy authentic vibe  
C G Em D  
But you can checkout all the detours off the 4-0-5

**G D**  
 But you can stay if you believe  
**C G**  
 But spinning gold is never easy  
**Em D**  
 When shooting stars are your dreams  
**G D**  
 Up in the sky a star s just a star  
**C G**  
 But funny thing, when looking up  
**Em D C**  
 It seems to follow you wherever you are

Capo 3

**G D**  
 And I dream about her even though I never should...
