

Raise The Roof
Carbon Leaf

Intro: **D**

D

Raise the roof that I might the stars to gain wisdom to see things for what they are

G **D**

Please, I need proof

A

G

Dance till ya die or till ya fall, shut your mouth

D

Raise the roof

A/G/D

D

Trapped in this snare with too much dreaming to bear
Fearful and frantic, hopeless and a romantic

G

Inspired but tired I run this wide open course

D

Like the sagging spirit of an older horse

A

G

Dance till ya fall or till ya die, shut your mouth

D

Raise the roof

So on and so forth, these chords repeat for the whole song.

Fun and easy to play (listen to the song for the chord inversions, strumming pattern, etc.)
