(not 100% sure on lyrics)

**Bb Bb Bb B F# F# Eb Bb**

**F# B Bb**

You can't watch me,

**F# G# Bb**

Just cause I'm watching you

**E F# Eb Bb**

Just get on with breathing,

**E F# Eb Bb**

Getting on, not much time

**E F# Eb F#**

Best say I can sleep now

**Bb B F# Eb Bb**

Can't you tell me a good story?

**Bb B F# Eb Bb**

Make it stand well in its story
