

Let Alone My Plastic Doll
Cardiacs

(not 100% sure on lyrics)

B B B C G G E B

G C B

You can't watch me,

G A B

Just cause I'm watching you

F G E B

Just get on with breathing,

F G E B

Getting on, not much time

F G E G

Best say I can sleep now

B C G E B

Can't you tell me a good story?

B C G E B

Make it stand well in its story

(repeat)
