(not 100% sure on lyrics)

C C C C# G# G# F C

G# C# C

You can't watch me,

G# Bb C

Just cause I'm watching you

F# G# F C

Just get on with breathing,

F# G# F C

Getting on, not much time

F# G# F G#

Best say I can sleep now

C C# G# F C

Can't you tell me a good story?

C C# G# F C

Make it stand well in its story
