

March
Cardiacs

F#m

Everything I fear forever coming here
To bless my heart and bless my soul
Leaving nerves for shore, s only my lot
S only my heart, s only my hole

F#m

E

Everything I fear forever coming here

D

A

To bless my heart and bless my soul

G

F#m

E

A

Bless my front and rear and touch my part

G

F#m

E

Yes that s my heart, yes that s my hole

D

A

Happier when head is high

B

F#m

Nearer sky cos high says I

D

A

Only one thing left inside

C#

F

Pandora s box arrived inside and

A#

D

Every dancing kind in me

C#m

F#

C#m F#

Left, leaving me

D

A

Happier when head is high

B

F#m

Nearer sky cos high says I

D

A

B

Only one thing left inside

C

E

Then Pandora s box arrived and

A

C#

Every dancing kind in me

Cm

F

Cm

F

Left leaving me

C#m F# C#m F#

F#m

E

It s only all my lot, leaving my nerves for shot

D

A

S only one thing left in th insides

G

F#m

No-one free from fear

E A G F#m E

Leaving my parties uninvited anyway

D A
Everything was fine inside

B F#m
Then Pandora s box arrived

D A B
Soft and mellow sadness rised

C# E
Probed the bush like march

A A# D
Except that fearful mind of mine

F G A G A G
Packs up and carts off my fears

Cm
Treats like this no-one lives
G# C#
All babies born like babies
Cm F
Happier when head is high like is

B F#
Nearer sky cos high is mizz

C E
Only one thing left in this

A C#
Every dancing kind in me

Cm F Cm F
Left, leaving me

A
Many are the same things
B A
People invite would-be raiders
A

One more then back must fly
B A
For casting out by neighbours

Gsus4 G B
Grubs and insects all carry on
A G A G F#m

With their capers

(instrumental)
