

March
Cardiacs

G#m

Everything I fear forever coming here
To bless my heart and bless my soul
Leaving nerves for shore, s only my lot
S only my heart, s only my hole

G#m

F#

Everything I fear forever coming here

E

B

To bless my heart and bless my soul

A

G#m

F#

B

Bless my front and rear and touch my part

A

G#m

F#

Yes that s my heart, yes that s my hole

E

B

Happier when head is high

C#

G#m

Nearer sky cos high says I

E

B

Only one thing left inside

Eb

G

Pandora s box arrived inside and

C

E

Every dancing kind in me

Ebm

G#

Ebm G#

Left, leaving me

E

B

Happier when head is high

C#

G#m

Nearer sky cos high says I

E

B

C#

Only one thing left inside

D

F#

Then Pandora s box arrived and

B

Eb

Every dancing kind in me

Dm

G

Dm G

Left leaving me

Ebm G# Ebm G#

G#m

F#

It s only all my lot, leaving my nerves for shot

E

B

S only one thing left in th insides

A

G#m

No-one free from fear

F# B A G#m F#

Leaving my parties uninvited anyway

E B
Everything was fine inside

C# G#m
Then Pandora s box arrived

E B C#
Soft and mellow sadness rised

Eb F#
Probed the bush like march

B C E
Except that fearful mind of mine

G A B A B A
Packs up and carts off my fears

Dm
Treats like this no-one lives

Bb Eb
All babies born like babies

Dm G
Happier when head is high like is

C# G#
Nearer sky cos high is mizz

D F#
Only one thing left in this

B Eb
Every dancing kind in me

Dm G Dm G
Left, leaving me

B
Many are the same things

C# B
People invite would-be raiders

B
One more then back must fly

C# B
For casting out by neighbours

Asus4 A C#
Grubs and insects all carry on

B A B A G#m
With their capers

(instrumental)
