Found Out - Caribou

Em

F

C Dm

While she waits, she holds her breath And thinks about the things we said
And takes the modern song she knows But now and then a hollow ghost

(with drums)

Em

F

C Dm

And everything she says she can fall for She goes on so no one will know
Everything that she says she can fall for She knows she ll be there on her own

Em F C Dm

Em

F

C Dm

And everything that she says she can fall for She goes and she ll fall on her
own

Everything she says she can fall for She knows she ll be there on her own

Em F C Dm

Em

F

C Dm

And everything that she says she can fall for She goes and she ll fall on her
own

And everything that she says she can fall for She goes and she ll fall on her
own
