Em
Call her thief

Em/D C
Call her shallow and insin - cere

Em Cause you ll never see just how perfect she could be **Em/D C**

Am F G
Then she s gone and my friends can come along

Am F G
and they tell me that I m happier

Am F G
One more fight, yeah, you tell me all the time

Am F G
How do I swallow my pride?

C
But she s the one,

Gsus4
she s the one,

C
but she s the one,

Gsus4
she s the one.

Time and time I hear things that can t be true
and it s only talk cause she ll never be so cruel;
Every night there s a new name on her arm
that I don t think I recognize
and it s never strange just how long she stays away
I guess I ll have to compromise.
