**Caribou**

Capo V  
in 6/8

**Dm**  
Call her thief

**Dm/D Bb**  
Call her shallow and insin - cere

**Dm** Cause you ll never see just how perfect she could be **Dm/D Bb**

**Gm Eb F**  
Then she s gone and my friends can come along

**Gm Eb F**  
and they tell me that I m happier

**Gm Eb F**  
One more fight, yeah, you tell me all the time

**Gm Eb F**  
How do I swallow my pride?

**Bb**  
But she s the one,

**Fsus4**  
she s the one,

**Bb**  
but she s the one,

**Fsus4**  
she s the one.

Time and time I hear things that can t be true  
and it s only talk cause she ll never be so cruel;  
Every night there s a new name on her arm  
that I don t think I recognize  
and it s never strange just how long she stays away  
I guess I ll have to compromise.
