C#

Last night there was a love crime

Bbm

I guess I m takin the fall

C#

All signs sayin I m the bad guy

Bbm

When you don t get what you want

F#

Te di el corazón y madres te valió

Mandé a la chingada a todos por tu amor

G#

Y nunca estás contenta, no

It feels like, baby

C#

Maybe it s you (Maybe it s you)

Maybe it s you (Maybe it s you)

Bbm

The reason, the reason for all my pain

F#

Keep me up night and day

C#

A huevo eres tú

Uh, uh-uh-uh, uh-uh

Bbm

Lo que me quitaba la paz mental

F#

Cediendo pa no pelear

F#

I finally see

Hoy que lo veo así

G#

There was nothing wrong with me

C#

It was always you

F#

Thinkin of the wrongs within myself

C#

Contemplatin like, Am I good for your health?

Bbm

Ooh, yeah, yes, but now I realize

C#

But you get off on shiftin the blame
Givin you a riser when you re feeding the flame

Bbm

Oh, baby, you ve got some issues to face

F#

Te di el corazón y madres te valió
Mandé a la chingada a todos por tu amor

G#

Y nunca estás contenta, no
It feels like, baby

C#

Maybe it s you (Maybe it s you)
Maybe it s you (Maybe it s you)

Bbm

The reason, the reason for all my pain

F#

Keep me up night and day

C#

A huevo eres tú
Uh, uh-uh-uh, uh-uh

Bbm

Lo que me quitaba la paz mental

F#

Cediendo pa no pelear

F#

I finally see
Hoy que lo veo así

G#

There was nothing wrong with me

C#

It was always you

C#

It was always you
Always, always you

Bbm

It was always you
Always, always you

C#

It was always you
Always, always you

Bbm

It was always you
Always, always you

F#

I finally see

G#

There was nothing wrong with me

C#

It was always you
