Title: SOMEONE TO LAY DOWN BESIDE ME (Carla Bonoff)

**F#m**

There s somebody waiting alone in the street

**F#m**

For someone to walk up and greet

**C#m7**

Here you are all alone in the city

**Bm7**

**C#m7**

Where s the one that you took to your side

**Bm7**

**C#m7**

Lonely faces will stare through your eyes in the night

**F#m**

And they ll say - woman sweet woman please come home with me

**F#m**

You re shining and willing and free

**Bm7**

**C#m7**

But your love it s a common occurrence
