

Promises Like Pie-Crust
Carla Bruni

E **E7**
Promise me no promises
A **Am**
So will I not promise you
E **E7**
Keep we both our liberties
A **Am**
Never false and never true

G#
Let us hold the die uncast
C#m **A**
Free to come as free to go
E **B**
For I cannot know your past
E **B** **E** [**E7**, **A**, **Am**]
And of mine what can you know?

E **E7**
You, so warm, may once have been
A **Am**
Warmer towards another one
E **E7**
I, so cold, may once have seen
A **Am**
Sunlight, once have felt the sun

G#
Who shall show us if it was
C#m **A**
Thus indeed in time of old?
E **B**
Fades the image from the glass
E **B** **E** [**E7**, **A**, **Am**]
And the fortune is not told

G# **C#m**
If you promised, you might grieve
B **E**
For lost liberty again
G# **C#m**
If I promised, I believe
B **E**
I should fret to break the chain

G#

Let us be the friends we were

C#m **A**

Nothing more but nothing less

E **B** **E**

Many thrive on frugal fare

E **B** **E** [**E7**, **A**, **Am**]

Who would perish of excess

E **A**

Promise me no promises

E **E7**

Promise me no promises

A **Am**

So will I not promise you

E **E7**

Keep we both our liberties

A **Am**

Never false and never true

G#

Let us hold the die uncast

C#m **A**

Free to come as free to go

E **B**

For I cannot know your past

E **B** **E** [**E7**, **A**, **Am**]

And of mine what can you know?

G# **C#m**

If you promised, you might grieve

B **E**

For lost liberty again

G# **C#m**

If I promised, I believe

B **E**

I should fret to break the chain

G# **C#m**

Let us be the friends we were

B **E**

Nothing more but nothing less

G# **C#m**

Many thrive on frugal fare

B **E**

Who would perish of excess

E, **E7**, **A**, **Am**

Promises like pie-crust

E, **E7**, **A**, **Am**

Promises like pie-crust

E, E7, A, Am... E
