The love that was lost when you said goodbye,
A D
The tears I ve cried woo-oo

CHORUS:

Bm E
Well it looks like summer isn t gonna wish you well.
A
I wish that song would never tell
D
All the secrets that we shared in that motel.
Bm
I wish that I could write a book
E
About the way you talk and look
A
I wanna go back can I re-wind

Cause all thats on my mind are summer days

Can you come back to me?
