**C**  
I m never gonna get it  
**D**  
You re gonna be the one I never got that got away  
**G**  
And I ll regret it  
  
Just a moment in time  
**C**  
But I can t forget it  
**D** **G**  
Yeah, we almost said it  
  
If this is love, ooh  
**C**  
I should be dying  
**D**  
But I m going downtown like I still care  
**G**  
Like I m still trying  
**C**  
I said I was over you but I m lying  
**D** **G**  
There, I almost said it  
**G** **C**  
Every time you look at me  
**Em** **D**  
I say it silently  
**C** **G**  
Oh, when will you wake up and get it  
**Em** **D**  
This close, we almost said it  
  
**G**  
I know you re not evil  
**C**  
So why do you tease me

**D**  
Yeah, staying around here late at night

**G**  
You don't make it easy

**C**  
It's in my body language, read me

**D**  
We were this close

**G**  
This close, yeah

**G** **C**  
And it's like every time you look at me

**Em** **D**  
I say it silently

**C** **G**  
Oh, wake up, baby, come and get it

**Em** **D**  
This close, we almost said it

**G** **C**  
You say that you're still not free

**Em** **D**  
Well, I hear selectively

**C** **G**  
That still means someday you might be

**Em** **D**  
Oh, this close, yeah, yeah

**G**

**G**  
You wrote me a song

**C**  
I often play it

**D**  
Depending on where I am with you

**G**  
I either love it or I hate it

**G** **C**  
We were just this close but we couldn't say it

**D~~~**  
We were this close
