

**Just A Step Away**

**Carly Rae Jepsen**

Intro: **Eb Ab Cm/Cm7 Bb** (x2)

**Eb Ab Cm Bb**  
In the space between the words

**Eb Ab Cm7 Bb**  
In the silence of your eyes

**Eb Ab Cm Bb**  
In the hands that know the touch

**Eb Ab Cm7 Bb**  
It s the way I feel inside

Here we are  
Dancing cross this floor together  
With every step I take I seem to want you more than ever  
You made me love you  
Look into my eyes  
I want to tell you

I ll never let you down  
And I ll never go away  
And if your ever feeling down  
I m just a step away

I ll never let you down  
And I ll never go away  
And if your ever feeling down  
I m just a step, just a step, just a step away

It s the beating of your heart  
It s the tear I have to hide  
It s the sound of your guitar  
It s the way I feel inside

Here we are  
Dancing cross this floor together  
With every step I take I seem to want you more than ever  
You made me love you  
Look into my eyes  
I want to tell you

I ll never let you down  
And I ll never go away  
And if your ever feeling down  
I m just a step away

I ll never let you down  
And I ll never go away  
And if your ever feeling down  
I m just a step, just a step, just a step away

If you need a shoulder  
Or someone to hold you  
I ll keep my arms open wide  
I ll be the one who loves you  
I ll be right there by your side

Here we are  
Dancing cross this floor together  
With every step I take I seem to want you more than ever  
You made me love you  
Look into my eyes  
I want to tell you

I ll never let you down (I ll never let you down)  
And I ll never go away (And I ll never go away)  
And if your ever feeling down (And if your ever feeling down)  
I m just a step away

I ll never let you down  
And I ll never go away  
And if your ever feeling down  
I m just a step away

I ll never let you down  
And I ll never go away  
And if your ever feeling down  
I m just a step, just a step, just a step away

In the space between the words  
In the silence of your eyes  
In the hands that know the touch  
It s the way I feel inside
