

Tonight Im Getting Over You
Carly Rae Jepsen

It sounds better if you use barred chords.

F
I wanna smash your fears
Am
And get drunken off your tears
Bb (C) **F**
Don t you share your smile with anyone else but me

[Repeat **F-Am-Bb-(C optional)-F**]
I wanna touch your heart
I wanna crash it in my hands
Make a plea, and cry
As you give up all the lies

F **Am**
We re not lovers, but more than friends
Bb **C** **F**
Put our flame to every single word you ever said
F **Am**
No more crying, to get me through
Bb **C** **F**
I keep dancing til the morning with somebody new

F-Am-Bb-C/F
Tonight I m getting over you
Tonight I m getting over you
Tonight I m getting over you
Tonight I m getting over you
Over you, o-over you
