F#m: 244222

Dmaj7/C# or F#m/D: xx4222

F#m A D Bm x2
Is that you at the door
Not because you have something to talk about
But no-one to tell it to, so you come to me like you do all the time

F#m A D Bm x2
I know what youâ€™re here for
Compliments and confidence is all I gave you
But I got to see your face so for me that was fine

F#m A D Bm x2
My world was, about you, but your world was only about you
You only seem to remember me when youâ€™re lonely
So now you can finally

F#m
Forget me
A
Forget you
D **Bm**
I canâ€™t remember what I was so into
F# **A**
When you feel alone
D **Bm**
Donâ€™t try to come in anymore cause I outgrew
F#m
Your smile
A
Your eyes
D **Bm**
You should know

F#m A D Bm

You're not that unforgettable

F#m A D Bm

You're not that unforgettable

F#m A D Bm

You're not that unforgettable (get, get, get, get)

F#m A D Bm

You're not that unforgettable (get, get, get going)

F#m A D Bm x2

I used to feel so torn listening to stories about other girls instead of about me

Selfishly you ignored the signs

F#m A D Bm x2

And now he's got me bored

Funny how the tables turn as soon as I came to my senses

With my sense at least I try

F#m A D Bm x2

My world was about you, but your world was only about you

You only seem to remember me when you're lonely

So now you can finally
