

Back Down To Earth
Carly Simon

Back Down To Earth - from Boys in the Trees - 1978

C **G**
We jumped into a river on the moon
C **G**
But the water was too cold
C **G** **Em**
We tried to buy the morning star
Am7 **D**
But it was already sold
Em7 **A7**
I wanted to make it big with you
Em7 **A7**
But my plans must have been too bold

Am7 **D** **G**
And it s back down to earth again
C **D** **Em7**
Back in my car and gone
Am7 **F**
Back on the road
Am7 **D** **G**
Back on the road alone

C **G**
You were my summer angel
C **G**
Your eyes how they shone
C **G** **Em**
Just last night we were talking about
Am7 **D**
How much our love had grown
Em7 **A7**
I wanted to prove how good it could be
Em7 **A7**
But my plans will have to be postponed

Am7 **D** **G**
Cause it s back down to earth again
C **D** **Em7**
Back in my car and gone
Am7 **F**
Back on the road
Am7 **D** **G** **C** **G**
Back on the road alone
