

I've Got To Have You
Carly Simon

I've Got To Have You - from Anticipation - 1971

A **G**
You came smilin softly, shyly movin
A
Easy as a dreamer into my room
G
And before I realized the danger
A **F#7**
I found myself looking into your eyes
D
Somewhere in their colors I saw promises
A **F#7**
Of things I'd never seen before
G
It's all over
Em7 **A**
I've got to have you

A **G**
Holding onto, talking, saying nothing
A
Knowing in a moment I could lose you
G
Then without a warning I remembered that
A
You trembled at the touch of my hand
D
Knowing when you came to me that no one else
A
Would ever feel the same in my arms
G
It's all over
Em7 **G**
I've got to have you

Dm **Dm7**
Wakin in the morning to the tenderness
A **F#m7**
Of holding you asleep in my arms
Dm
Dreaming while your hair was blowing
Dm7 **A**
Softer than a whisper on my cheek
D
I don't know the feeling so I don't know if it's love
A

But it s enough

F#m7

It s enough

G

I can t help it

Em
