

Night Owl  
Carly Simon

Night Owl - from No Secrets - 1972

**F**

Now a fish kinda likes the water  
And that s just where he wants to be  
And a monkey kinda digs bananas  
So he lives in the top of a tree

**G**

But my eyes are made for darkness

**Eb**

So the nighttime is right for me

**F**

Cause I m a night owl honey, sleep all day long  
I m a night owl honey, sleep all day long

**F**

Most folks they like the daytime  
Cause they like to see the shining sun  
They re up in the mornin  
Off and a runnin till they re too tired for havin fun

**G**

But when the sun goes down and the bright lights shine

**Eb**

My daytime has just begun

**F**

Cause I m a night owl honey, sleep all day long  
I m a nightowl honey, sleep all day long

**Eb C**

**Dm**

**F G**

Won t you turn out them bright lights baby

**Dm**

**F G**

They re just about to drive me blind

**Dm**

**F G**

Oh won t you draw then curtains for me papa

**Ab**

**A**

**Bb**

**Bdim**

**C F**

Watch and you ll see my love light shine

**G**

Now there are two sides to this great big world  
And one of them is always night  
If you can take care of business in the sunshine baby  
I guess you re gonna be alright

**A**

But don t come looking for me to lend you a hand

**Eb**

My eyes just can t stand the light

**G**

Cause I m a night owl honey, sleep all day long

Cause I m a night owl honey, sleep all day long
