Thats The Way Ive Always Heard It Should Be Carly Simon

That s The Way I ve Always Heard It Should Be - from Carly s debut album 1971

Bm

My father sits at night with no lights on

Bm G

His cigarette glows in the dark

Dm7

The living room is still

Cmaj7 Am7 G

I walk by, no remark

Bm G

I tiptoe past the master bedroom where

Bm. G

My mother reads her magazines

Bm

I hear her call sweet dreams

Cmaj7 Am7 G

But I forgot how to dream

F Em

But you say it s time we moved in together

Dm7 Cmaj7

And raised a family of our own, you and me

र ए

Well, that s the way I ve always heard it should be

D

You want to marry me, we ll marry

Bm

My friends from college they re all married now

Bm G

They have their houses and their lawns

Dm7

They have their silent noons

Bm G

Tearful nights, angry dawns

Bm G

Their children hate them for the things they re not

Bm G

They hate themselves for what they are

3m. G

And yet they drink, they laugh

Cmaj7 Am7 G

Close the wound, hide the scars

F Em

But you say it s time we moved in together

```
And raised a family of our own, you and me
Well, that s the way I ve always heard it should be
You want to marry me, we ll marry
Bm
You say we can keep our love alive
Babe, all I know is what I see
Dm7
The couples cling and claw
Cmaj7
                 Am7
And drown in love s debris
Bm
You say we ll soar like two birds through the clouds
Bm
But soon you ll cage me on your shelf
Bm
I ll never learn to be just me first
Cmaj7
                 Am7
By myself
                               \mathbf{E}\mathbf{m}
Well O.K., it s time we moved in together
And raised a family of our own, you and me
Well, that s the way I ve always heard it should be
You want to marry me, we ll marry
We ll marry
```
