

Youre The One
Carly Simon

[Intro]

E A B

E

Well I spent all night alone with you

A

And you weren't even there

E

E7

A

D

Your eyes burned on me like the midnight sun

E

And somewhere in the night I knew

A

How much I really cared

E

Cause you're the one

B

A

You're the one

E

For me you are the one

[Solo]

B A

E

A

I tried to keep my distance afraid of striking out

E

A

D

But protect myself from life is all I've done

E

So I got to tell you now

A

Before another night goes by

E

B

A

That you're the one, you're the one

E

For me you are the one

C7

F

Bb7

And sometimes it hits you right away

Eb7

And sometimes it takes awhile

C7

F

Oh but now that you've crept up on me

D7

B7

There's nothing I can do to stay away from you though Lord

E

A

I've tried to keep it down

E **A** **D**

But resistance only moves it to the front

E **A**

So I got to tell you now and not worry what you ll say

E

Cause you re the one

B **A**

You re the one

E

For me you are the one
