[Intro] **D F# G Gm**

**D**

Let s take it back to where we were

**F#**

With simple love and hot temperatures

**G**

My friends says I m away too much

**Gm**

So I grab my stuff and give it up

**D**

**F#**

I m driving around the city we fell in love

But now it s not so pretty

**G**

Cause you re not here by my side

**Gm**

I thought you said you d stay here till you die

**D**

But I stick to the plan, the one you demanded

**F#**

It s a part of a sin, I want simple things

**G**

Instead we re stuck in a parallel universe that was written just

**Gm**

for her

**D**

Why did you bring me to this messed up party?

**F#**

They are playing our song, and I want to go home

**G**

But my ride is gonna have to stay a little bit more

**Gm**

Cause her iPhone got some white lines

**D**

**F#**

And I could easily ask for their opinions

**G**

But they always find the worst

They always find the worst

**Gm**

Cause they only see the worst things in us

**D** **F#**  
And I could easily ask for their opinions  
**G**  
But they always find the worst  
They always find the worst  
**Gm**  
Cause they only see the worst things in us

( **D** **F#** **G** **Gm** )

**D**  
Well, now I know that it s too late  
**F#**  
I will not think you re misbehaved  
**G**  
It s a part of a system that we can t control  
**Gm**  
And I m pretty sure they already know

**D**  
That you re often around new people  
**F#**  
We can t keep up with, but it s not our business  
**G**  
I don t regret a thing I ve said  
**Gm**  
But I m afraid they forget my name

**D**  
But don t you dare to say I have changed  
**F#**  
I still the same guy, depressed and high  
**G**  
I just want you to know that the time we were together  
**Gm**  
You made me feel so good

**D** **F#**  
But I understand if you never want to talk to me again  
**G**  
Just don t pick up your phone around 10 PM  
**Gm**  
Cause it s probably me in my parents car again

**D** **F#**  
And I could easily ask for their opinions  
**G**  
But they always find the worst  
They always find the worst  
**Gm**  
Cause they only see the worst things in us

**D** **F#**  
And I could easily ask for their opinions  
**G**  
But they always find the worst  
They always find the worst  
**Gm**  
Cause they only see the worst things in us

**D** **F#**  
And I could easily ask for their opinions  
**G**  
But they always find the worst  
They always find the worst  
**Gm**  
Cause they only see the worst things in us

**D** **F#**  
And I could easily ask for their opinions  
**G**  
But they always find the worst  
They always find the worst  
**Gm**  
Cause they only see the worst things in us
