

That Wont Change Who You Are
Carmen

[Intro] **Eb**

Eb

If you could only have
The days that I just had,

F#

You d know that I m not mad
I just went off the tracks

E

I hate when I get bad

A

I hate when I get bad

Eb

I know it s common sense
But you don t understand

F#

You came to see my band
Now I can even stand

E

To look up to your face

A

In the crowd

Eb

F#

So should I keep on spitting my heart out over these

E

A

Songs that no one is gonna remember two years from now?

Eb

F#

Or should I stick to what my father wants

E

Me to be: Finish college and get a degree?

A

I guess things were easier when you were here

Eb

You can change your hair, change your friends

F#

You can change your hair, change your friends

E

A

But that won t change who you are
