

A Night Like This

Caro Emerald

Caro Emerald by A night like this

[Intro]

Cm

[Verse 1]

Cm

From where you are. You see the smoke start to arise

G#

Where they play cards

And you walk over

Softly moving passed the guards

The stakes are getting higher

Cm

You can feel it in your heart

He calls you bluff

He is the ace you never thought

G#

He played that much

And now it s more than all this cards

You want to touch

You never know if winning this

Cm

Could really be enough

[Pre-Chorus]

D#dim

Take a look

Beyond the moon

Cm

You see the stars.

D#m

And when you look around

Cm

You know the room by heart

[Chorus]

D#m

G#

C#

I have never dreamed it Have you ever dreamed a night like this

I cannot believe it I may never see a night like this
When everything you think is incomplete
Starts happening when you are cheek to cheek
Could you ever dream that I have never dreamed, dreamed a night like this

[Verse 2]

How many times
Have I been waiting by the door
To hear these chimes
To hear that someone debonaire has just arrived
And opened up to see My world before my eyes
That silhouette creates an image
On the night I can't forget
It has the scent of something special
I can't rest If I resist temptation
Oh, I know for sure that I will lose the bet

[Pre-Chorus]

I walk away and suddenly it seems
I'm not alone
In front of me he stands I stop, before he goes

[Chorus]

I have never dreamed it Have you ever dreamed a night like this
I cannot believe it I may never see a night like this
When everything you think is incomplete
Starts happening when you are cheek to cheek
Could you ever dream that I have never dreamed, dreamed a night like this
