Dm Am E7 Am

I took the perfect avenue, down the road to both of you

Dm. Am

Did I go duth!

E7 Am

This is too much!

Dm Am

With all the money in the world

E7 An

You could never buy this girl

Dm Am E7 Am

Quite enough, it will be tough

Ponte: (aqui muda do ritmo pra um dedilhado suave)

Dm Am E7. Am

If romancing me with neons is something you should do

Dm Am E7

Make the letters bright and luminous and blue

Refrão:

(Dm Am E7 Am)

And get me waking up

Shaken up

Tangled up

You could be quaking up, making up

Tangled up

You can t be faking it,

Making it for my love

Before it s tragedy, don t get me tangled up

Segunda parte:

(Repete os acordes da primeira parte só a com essa variação na letra)

I can t separate your sins,

To me you re acting like you re twins

This is a mess,

Is this a test?

How many guesses do I get?

Till only one of you is left

You re quite the same,

If love s the game

I want to see emotions coloring the sky

To the point it will make me wanna cry

And get me waking up

Shaken up

Tangled up

You could be quaking up, making up

Tangled up
You can t be faking it,
Making it for my love
Before it s tragedy, don t get me tangled up

Treating girls like a yo-yo is a no no of monumental kind If playing with your string happens to be your thing It s easy to say to both, oh nevermind

And get me waking up
Shaken up
Tangled up
You could be quaking up, making up
Tangled up
You can t be faking it,
Making it for my love
Before it s tragedy, don t get me tangled up
