C#m7

You ve been on my mind for a while now
Tryna get you off cause this ain t right now

G#m

You said it was a vibe for the time being
It was nothing more but I just couldn t see it

C#m7

This is not a song for the whole world
Felt like it could ve been us against the whole world

G#m

Maybe you were mine and I was your girl
Whatever happened to the time that we spent

C#m7

Sober... I take back what I said

B7M

I m sittin with this love hangover
And boy it s hurtin my head

C#m7

It s the middle of october
And we just came to an end

B7M

I m just sorry that there ain t no time left

C#m7

You and I we re over
Me and you are done

B7M

When I wanted to be closer
You just wanted to run

C#m7

Though I know it s no ones fault
If I ve learned anything at all

B7M

With us, no matter how I add it up
One plus one is none

(B7M)

C#m7

I ve been at this party for some time now
Sippin on bacardi til it runs out

G#m

You are in the corner with your head down
I don t even wanna know what that s about

C#m7

Cause you re the one that s always gettin too wasted
And I m the one that s never that intoxicated

G#m

Tonight I m in my feelings, oh I m faded
But I don t wanna think about the complicated

C#m7

B7M

Oh your love got me feeling like I can t

C#m7

Get up, wishing for it but it never lasts

B7M

I thought we d be together

Oh it ended so fast
