

Treacherous
Carol Biazin

G **D/Gb**
Put your lips close to mine
Em **C9**
As long as they don t touch
G **D/Gb**
Out of focus, eye to eye
Em **C9**
Till the gravity s too much
G **D/Gb**
And I ll do anything you say
Em **C9**
If you say it with your hands
G **D/Gb**
And I d be smart to walk away
Em **C9**
But you re quicksand
G **D/Gb**
This slope is treacherous
Em **C9**
This path is reckless
G **D/Gb**
This slope is treacherous
Em **C9**
And I, I, I like it

(**G** **D/Gb** **Em** **C9**)

G **D/Gb**
I can t decide if it s a choice
Em **C9**
Getting swept away
G **D/Gb**
I hear the sound of my own voice
Em **C9**
Asking you to stay
G **D/Gb**
And all we are is skin and bone
Em **C9**
Trained to get along
G **D/Gb**
Forever going with the flow
Em **C9**
But you re friction
G **D/Gb**
This slope is treacherous
Em **C9**
This path is reckless

G **D/Gb**
This slope is treacherous

Em **C9**
And I, I, I like it

Am **Em**
Two headlights shine through the sleepless night

G
And I will get you, and get you alone

Am **Em**
Your name has echoed through my mind

G
And I just think you should, think you should know

Am **Em**
That nothing safe is worth the drive and I would

D/Gb
Follow you, follow you home

C9
I ll follow you, follow you home

G **D/Gb**
This hope is treacherous

Em **C9**
This daydream is dangerous

G **D/Gb**
This hope is treacherous

Em **C9**
Ihh Ihh
