

## Believe In Humanity

Carole King

**Dm**

If you read the papers you will see  
History in the making

**G**

You'll read what they say life is all about  
They say it's there for the taking

**Dm**

Yeah, but, you should really check it out  
If you want to know what's shaking

**Cmaj7**

**Ebmaj7**

But don't tell me about the things you've heard

**Fmaj7**

**G**

Maybe I'm wrong but I want to believe in humanity

**Dm**

I know it's often true, sad to say  
We have been unkind to one another

**G**

Tell me, how many times has the golden rule  
Been applied by man to his brother?

**Dm**

Well, I believe if I really looked at what's going on  
I could lose faith I never could recover

**Cmaj7**

**Ebmaj7**

So don't tell me about the things you've heard

**Fmaj7**

**G**

Maybe I'm wrong but I want to believe in humanity

**Am**

Maybe I'm living  
With my head in the sand  
I just wanna see people giving

**F**

**G**

I wanna believe in my fellow man

**Dm**

Yes I wanna believe

Finish on Am
