Loving You Forever

Carole King [Intro] G Em C D [Verse] \mathbf{Em} I was just leaving - the night was winding down G Em C You touched my shoulder and I turned around BmHere we are - the hardest part is done Bm D And all that s left is loving you forever. Em C My heart stopped beating-I couldn t let it show Em С You were as unexpected as roses in the snow BmJust like that I knew you were the one BmAnd all that s left is loving you forever. [Chorus] In this world we re lucky if we find A spark that sparks one time C Like when we are together. C $\mathbf{E}\mathbf{m}$ And in that moment, it happened so fast Em C My prayers were answered - I found love at last Bm Take my hand - our life has begun D G And all that s left is loving you forever BmHere we are - the hardest part is done And all that s left is loving you forever
