Something To Die For
Carolina Liar

Intro: **Em** **G** **C** x2

Em   **G**   **C**   **Em**   **G**   **C**
Peel me off the hook, that s something to die for
Em   **G**   **C**   **Em**   **G**   **C**
Heal me, help me see what the hell did I lie for?
Em   **G**   **C**
I m fighting private wars again,
Em   **G**   **C**
Just second thoughts of where and when
Em   **G**
So peel me off the hook,
    C   **Em** **G** **C**
That s something to die for

Em   **G**   **C**   **G**   **D**
Won t you see it in your heart, you should
Em   **G**   **C**   **G**   **D**   **C**
Know you always played your part real good, oh yeah
    C   **Em** **G** **C**
That s something to die for
    C   **Em** **G** **C**
That s something to die for

        Em   **G**   **C**
Well you know me I never learn
    Em   **G**   **C**
I m holding onto sacred words
      Em   **G**   **C**
So peel me off the hook,
    C   **Em** **G** **C**
That s something to die for

Em   **G**   **C**   **G**   **D**
Won t you see it in your heart, you should
Em   **G**   **C**   **G**   **D**   **C**
Know you always played your part real good, oh yeah

        C   **G**
If it hurts, we ll be there
          D   **C**
We ll be standing by the shore
          C   **G**   **D**   **C**
You will see how the waves wash away all the dirt
    C   **Em** **G** **C**
That s something to die for
    C   **Em** **G** **C**

That s something to die for

```
C                                    G        D
Won t you see it in your heart
     Em                               C      G         D
Oh, don t you know you played your part real good
Em          G      C                  G               D
Won t you see it in your heart, you should
Em          G      C                  G               D
Know you always played your part real good
```

```
       C           G
In the end I ll be there
           D           C
I ll be standing by your side
         C           G
We will see how the tide
         D           C
Hides away all the dirt
```

```
  C                 Em      G     C
That s something to die for
   C                Em      G     C
That s something to die for
```
