

**Em**  
A hand I can cling to

**Am**  
A heart that is beating beside me

**F** **G**  
Beyond the darkened sky

**Em** **Am**  
I see beyond the darkened sky

**F** **G**  
I see beyond the darkened sky

**C** **Am7, Em, F**  
Then Iâ€™m home

**C** **Am7**  
Iâ€™ve been waiting a while

**Em**  
Feeding the lions

**F**  
Clearing the path  
As I light the fire

**C** **Am7**  
Iâ€™m wanting to know

**Em**  
Where did you go?

**F**  
My only hope was the shadow I know

**C**  
Didnâ€™t know where I was coming from

**Am**  
Didnâ€™t know who I was running to

**Em** **F**  
But I feel the light

**C**  
Couldnâ€™t tell the truth from another lie

**Am**  
Couldnâ€™t see beyond the darkened sky

**Em** **F**  
But I feel the light

**G**  
So Iâ€™m falling under

**Em**  
My only protector

**Am** **F**  
A voice that is calling inside my head

**G**  
So where is the lifeline

**Em**  
A hand I can cling to

**Am**  
A heart that is beating beside me

**F** **G**

Beyond the darkened sky

**Em**

**Am**

I see beyond the darkened sky

**F**

**G**

I see beyond the darkened sky

**C**

**Am**

Then Iâ€™m home

**F**

Then Iâ€™m home

**G**

Then Iâ€™m home

**Em**

Then Iâ€™m home

**Am**

Then Iâ€™m home

**C**

Didnâ€™t know where I was coming from

**Am**

Didnâ€™t know who I was running to

**Em**

**F**

But I feel the light

**C**

Couldnâ€™t tell the truth from another lie

**Am**

Couldnâ€™t see beyond the darkened sky

**Em**

**F**

But I feel the light

**G**

So Iâ€™m falling under

**Em**

My only protector

**Am**

**F**

A voice that is calling inside my head

**G**

So where is the lifeline

**Em**

A hand I can cling to

**Am**

A heart that is beating beside me

**F**

**G**

Beyond the darkened sky

**Em**

**Am**

I see beyond the darkened sky

**F**

**G**

I see beyond the darkened sky

**C**

**Am**

Then Iâ€™m home
